Research Interest and Activities

Main researcher

1998-1999	A survey on relationship of Age with clinical and radiographic manifestations of tuberculosis. SBMU, Tehran, Iran.
1999-2000	Intestinal parasitisms in students of primary schools, Varamin city. SBMU, Tehran, Iran.
2000-2001	An evaluation of the prevalence of Staphylococcus aureus nasopharyngeal carrier state in hemodialysis patients referring to Labbafi Nejad Hospital in 2001 and the antibacterial resistance pattern, SBMU, Tehran, Iran.
2001-2003	PPD test and booster effect and cutaneous anergy test in patients receiving long-term hemodialysis patients. SBMU, Tehran, Iran.
2002-2002	Intestinal parasitisms in food-seller in Varamin 2002. SBMU, Tehran, Iran.
2002-2004	Prevalence and Risk factors Associated with HBsAg Positive Pregnant Women Referring to Niknafs Delivery Center of Rafsanjan 2003. SBMU, Tehran, Iran.
2004-2006	Source and response Anti-HBsAb in vaccinated hemodialysis patients, SBMU, Tehran, Iran.
2003-2004	Susceptibility and resistant pattern of gram-negative bacillus isolated in Loghman Hakim Hospital. SBMU, Tehran, Iran.
2005-2007	Screening of the household members and contact cases of patients with acute brucellosis. SBMU, Tehran, Iran.
2006-2008	Evaluation of MODS Culture in Diagnosis of Pulmonary Tuberculosis. SBMU, Tehran, Iran.
2009-2010	The effect of Nano-silver on environmental bacterial and fungal colonization onto hospital surfaces. SBMU .Tehran. Iran.

Co-researcher

1993-94	An investigation into the effects of repeated PPD test on its induration, SBMU, Tehran.
2007	Prevalence and risk assessment of Ca-MRSA nasal colonization in patients of Loghman Hakim hospital, SBMU, Tehran.
2009	An effect of Nano-silver on Pityriasis versicolor in comparison with selenium sulfide shampoo and clotrimazole solution, SBMU, Tehran.
2010-present	Evaluation of clinical characteristics and effect of antimicrobial therapy on mortality in patients with infectious due to Enterobacter SPP., Citrobacter Freundii, Serratia Marcescens, Morganella Morganii, Providencia Stuartii. University of Queensland, Brisbane, Australia.
2010-2011	Characteristics of Plesiomonas shigelloides infections in Queensland, Australia. University of Queensland, Brisbane, Australia.
2010-2011	Proanthocyanidin (PAC) Content of Australian Complementary Medicine Cranberry Products. University of Queensland, Centre for Clinical Research, University of Queensland, Brisbane, Australia.
